

A New Year... A New Pen!

Larger than a Sharpie®

~ 5.75" long x .72" diameter

~ Individually cellophane wrapped

DOUBLE ENDED / Ball nib ~ Chisel nib

Water proof, permanent on most surfaces

Endorsed by Kid Cardona, the Official State of Texas Caricaturist.

"This is an excellent pen for the average caricaturist. These pens are durable, long lasting, and comfortable to work with. The chisel nib draws excellent thick and thin lines. The ball nib is good for finer details. My pen of choice for more than 5 years."
